Petition to change the name of "Linwood Park" to "Jesse D. Sandoval - Linwood Park"
Petición para cambiar el nombre del "Parque de Linwood" al "Jesse D. Sandoval - Parque de Linwood"

Because of Jesse D. Sandoval's devotion, work, and values, we wish to name Linwood Park after him. He worked very hard for the neighborhood and to revitalize the park. He lived and raised his family in Linwood since the 1940's along with his parents and his in-laws. Jesse organized the young men in the neighborhood in the early 1950's to play baseball and keep them out of trouble. The arthritis on his spine kept him from playing ball but it didn't stop him from managing a successful Baseball Team. As Manager, if he couldn't get donations for the equipment, he would organize the team and neighbors to fundraise. When the Tornado of 2000 devastated the neighborhood, Jesse became President of the Linwood Neighborhood and organized it to help his neighbors. When he died, he was still President of the Linwood Neighborhood Association and Captain of the Citizens on Patrol. His dream of having a community center or large pavilion for the park was often heard by his City Councilpersons Wendy Davis and Joel Burns. Linwood Park deserves to be named after a great man who loved and cared for his neighborhood.
