ZONING MAP CHANGE
STAFF REPORT

City Council Meeting Date: June 4, 2013
Council District 8

Zoning Commission Recommendation:
Approval by a vote of 9-0

Opposition: none

Owner / Applicant: F.W. Mason Heights, L. P.
Site Location: 2600-2700 blocks Moresby, 3700-3801 Mighty Mite, 3801 WG Daniels, 3670 Wichita
Mapsco: 78W, X

Proposed Use: Adjust district boundary lines

Request: From: "PD-913" Planned Development for "A-5" One-Family, "PD-915" Planned Development for "ER" Neighborhood Commercial Restricted, and "PD-916" Planned Development for "C" Medium Density Multifamily, with development standards; site plan required
To: Adjust the Boundary lines for PD-913, PD-915, and PD-916 with development standards; site plan required

Land Use Compatibility: Requested change is compatible.

Comprehensive Plan Consistency: Requested change is consistent (Minor Boundary Adjustment for Tracts 5-7).

Background:
The proposed site was formerly part of the Masonic Children's Home property and is the remaining site of a major redevelopment effort south of Berry Street near Hwy 287. This proposal located just south of the retail development Renaissance Square along Berry Street, the location of a recently constructed WalMart. This southern section provides for the residential component of the overall development. The applicant intends to adjust district boundary lines for further development.

The subject site was rezoned in 2011. Within the overall development, the applicant intends to construct single-family residential, townhouse and multifamily developments with areas of commercial uses. The commercial uses are based on ER Neighborhood Commercial Restricted uses (no alcohol sales) but are primarily intended for assisted living and medical offices. Site plan waivers were approved for Tracts 1 and 2, the single family and townhouse uses, because the lot layout will be provided at the time of platting and will require approval by the City Plan Commission. Site plans will be provided for approval by the Zoning Commission and City Council for Tracts 3 through 7, the commercial and multifamily tracts, as developers are identified and their individual requirements are determined.

Specific Development Standards are required for each tract development including building standards, new fencing to match the existing fence at the All Church Home and installation of street trees, sidewalks and other enhancements along a proposed collector bisecting the development.

This case was continued from the March hearing because the applicant was unable to attend the meeting.
The following table provides the differences between current zoning standards and proposed standards for each tract.

Development Impact Analysis:
1. Land Use Compatibility
The applicant is proposing a zoning change to amend zoning boundaries for an overall development. The surrounding land uses vary with a large commercial development to the north, a school and single-family, and a gas well to the west, single-family to the south and the Historic Masonic Home and single family to the east.

Due to the close proximity to the intense development to the north, the proposed zoning change is compatible with surrounding land uses.

2. Comprehensive Plan Consistency
The 2013 Comprehensive Plan has various designations for the site. Please see table below for Comprehensive Plan Consistency:

and Block 2, Lots 1-4, 63.40 Acres): from “PD-913” Planned Development for “A-5” One-Family, “PD-915” Planned Development for “ER” Neighborhood Commercial Restricted, and “PD-916” Planned Development for “C” Medium Density Multifamily, with development standards; site plan required to Adjust the Boundary lines for PD-913, PD-915, and PD-916 with development standards; site plan required

Mike Clark, 6750 Hillcrest Plaza, Suite 325, Dallas, Texas with Winklemann & Associates explained to the Commissioners they are making a slight modification to the existing PD for Renaissance Square. There will be no changes to the existing language in the PD’s.

Happy Baggett, 2336 Whistler Creek Drive, Fort Worth, Texas with Mason Heights, mentioned they are 100% leased. Uplift Academy is adding another 84,000 square feet. They are also requesting ER zoning at Grayson for medical facilities. The YMCA is proposing to re-locate to Renaissance and rezone their current site. The proposed zoning would reduce the multifamily density by 378 units to accommodate the Uplift Academy, YMCA and proposed medical facilities.

Todd Baker, 801 Slaughter Lane, Euless, Texas spoke in support. Mr. Baker is with the YMCA Metropolitan Fort Worth and said this change would allow them to move from their current location.

Cleveland Harris, 1037 Colvin, Fort Worth, Texas with Morningside NA spoke in support. He said they need quality services in this area.

Motion: Following brief discussion, Ms. Conlin recommended approval of the request, seconded by Mr. Hollis. The motion carried unanimously 9-0.

4. ZC-13-044 YMCA (CD 8) – 2300 Block East Berry Street (McDonald Branch of YMCA Addition, Block 1, Lot A, 18.07 Acres): from “R1” Zero Lot Line and “CF” Community Facilities to “PD/C” Planned Development for all uses in “C” Medium Density Multifamily with development standards; site plan required.

Mike Clark, 6750 Hillcrest Plaza, Suite 325, Dallas, Texas with Winklemann & Associates explained to the Commissioners the YMCA is looking to move to the Renaissance location as mentioned in the previous presentation.

Patricia LaRue, 8001 Redwood Trail, Fort Worth, Texas representing JCP Trust et al explained to the Commissioners they are requesting this change to “G” Intensive Commercial based on anticipated growth in this area and another zoning case that is also proposing G zoning around this intersection. The area is surrounded by the future Chisholm Trail parkway and McPherson Boulevard.

Motion: Following brief discussion, Mr. Genua recommended approval of the request, seconded by Mr. Flores. The motion carried unanimously 7-0.

13. ZC-13-042 FW Mason Heights, Uplift Education (CD 8) – 2600-2700 Blocks Moresby, 3700-3801 Mighty Mite & 3801 WG Daniels and 3670 Wichita (Mason Heights, Block 1, Lots 1-4 and Block 2, Lots 1-4, 63.40 Acres): from “PD-913” Planned Development for “A-5” One-Family, “PD-915” Planned Development for “ER” Neighborhood Commercial Restricted, and “PD-916” Planned Development for “C” Medium Density Multifamily, with development standards; site plan required to Adjust the Boundary lines for PD-913, PD-915, and PD-916 with development standards; site plan required

Happy Baggett, 2336 Whistler Creek Drive, Fort Worth, Texas with Mason Heights is requesting a 30 day continuance.

Motion: Following brief discussion, Ms. Conlin recommended a 30 day continuance of the request, seconded by Mr. West. The motion carried unanimously 7-0.

Peter Aberg, 5910 North Central, Suite 1250, Dallas, Texas representing Legacy Capital explained to the Commissioners they have been working on this project for a couple of years. Mr. Aberg mentioned the current zoning has been in place since 1984 and they want to take the opportunity to enhance the Chisholm Trail Parkway into a commercial corridor that would create significant tax revenue for the City. He explained the power point presentation. There have been several meetings on the overall project with the neighborhoods, Crowley ISD and City staff. They will be creating design guidelines for the overall development. There will be an internal trail throughout the development.

Mr. Genua asked about the time frame for the development. Mr. Aberg said there estimations are anywhere between eight and fifteen years, being 100% developed. He noted Chisholm Trail is expected to open in 15 months and at that point would be the determination as when development starts.
