

Ground Transportation Coordinator Finding Factors

Under Section 34-271, subsection (b) in determining whether or not to recommend the renewal of granting operating authority, the Ground Transportation Coordinator shall consider, among other things, the following items:

- (1) The holder has performed satisfactorily under the terms of the operating authority;
- (2) The service provided continues to be necessary and desirable; and
- (3) The holder continues to comply with all requirements of this chapter.
