Dear Mr. Zavala,

I am submitting this letter on behalf of the Highland Hills Community Center Advisory Council and the Highland Hills Neighborhood Association. As President of both organizations, I have made it a priority to honor our community members who have played a role in making our community a great place to live, work and play. On April 14, 2015, the Highland Hills Community Center Advisory Council unanimously voted to request designating the largest room at our center (Room 122) as the Juanita Woods Conference Room. On May 7, 2015 this proposal was also unanimously approved by the members of the Highland Hills Neighborhood Association.

We would like to honor the memory of Mrs. Juanita Woods by renaming our largest room after her. Juanita Woods was a Highland Hills resident for over 50 years. She played an instrumental role in convincing city officials to build a community center in Highland Hills. She was a faithful community servant who worked diligently to improve the quality of life in Highland Hills and throughout Fort Worth. We humbly request that you recommend approval of this request. We believe that Mrs. Woods has left behind a legacy that is well deserving of this great honor.

Sincerely,

Jerome Carlos Johnson, President
Highland Hills Community Center Advisory Council
Highland Hills Neighborhood Association
