Dear Richard:

I have heard from Suzanne after her visit with Sandra and to follow up on our conversation last night, I would like to propose on behalf of The Friends of the Nature Center that the Education Room in the Hardwicke Center be named for Murray James. As you know, Murray has been involved with the Nature Center and The Friends from its inception and she has asked to go off the Board this year. We have our Annual Meeting on Saturday, July 11<sup>th</sup> at which time we could unveil it, hoping to keep it a surprise. We can arrange to get a plaque made for the room in recognition of her service and loyalty.

I appreciate your consideration and please let me know if I need to do anything further for this request. I would hope this does not have to go to the Council for approval, but whatever procedure I need to follow, just let me know. Thanks for your attention to this. I think it is a fitting tribute.

Sincerely,

Marty Leonard  
President
