Dear Richard:

At the December 10, 2015 Board Meeting of the Friends of the Fort Worth Nature Center & Refuge, Inc. Suzanne Tuttle, Manager of the FWNC&R, presented to the board a request made by the Fort Worth Audubon Society to name the original trail on Greer Island for Margaret Parker. Suzanne also asked the board members for their support for this request. The FONC Board Members voted unanimously in agreement to endorse this request to name the original trail on Greer Island for Margaret Parker.

Sincerely,

Marty Leonard
President
