CONTRACT UTILIZATION FORM

- A. The contract utilization form is used to record all costs associated with the project. This includes the Prime Contractor as well as all subcontractors and suppliers.
- B. The Contract Utilization Form shall be completed in its entirety. The complete company name, address, telephone/fax number, email, and contact shall be entered in the first column.
- C. The Diverse Business status (DIVERSE BUSINESS/Non DIVERSE BUSINESS) must be checked in the second column. A detailed explanation of the work to be performed or the supplies purchased shall be indicated in the status column and the Dollar Amount Spent with each business listed in the last column. Complete the Prime Contractor Company information at the bottom of page 5.
- D. If the District's established Diverse Business (DB) participation goal is met, the Prime Contractor has completed his responsibility in completing the Diverse Business Packet. A valid Diverse Business Certificate <u>must</u> be submitted with the Diverse Business Packet for each Diverse Business listed on the Contract Utilization Form.

If hauling services are utilized, the prime will be given credit as long as the Diverse Business listed owns and operates at least one fully licensed and operational truck to be used on the contract. The DB may lease trucks from another DB firm, including DB owner-operators, and receive full DIVERSE BUSINESS credit. The DB may lease trucks from non-DBs, including owner-operators, but will only receive credit for the fees and commissions earned by the DB as outlined in the lease agreement.

Failure to complete this form, in its entirety with requested documentation, and received by the Managing Department at time of bid opening may result in the bid being considered non-responsive to bid specifications.

The undersigned Contractor intends to enter into a formal agreement with the DIVERSE BUSINESS firm(s) listed in this utilization schedule, conditioned upon execution of a contract with the Tarrant Regional Water District. The intentional and/or knowing misrepresentation of facts is grounds for consideration of disqualification and will result in the bid being considered non-responsive to bid specifications.

Prime Contractors are required to identify <u>ALL</u> costs associated with the project. This includes the Prime contractor, subcontractors and suppliers, regardless of status; i.e., DIVERSE BUSINESS and non-DIVERSE BUSINESS. Please list DIVERSE BUSINESS firms first, use additional sheets if necessary.

The Contractor will <u>not</u> make additions, deletions, or substitutions to this certified list <u>without the prior approval</u> of the DB/MWBE Specialist or designee through the submittal of a **Request for Approval of Change/Addition**. Any unjustified change or deletion shall be a material breach of contract and may result in debarment in accordance with the procedures outlined in the policy. The contractor shall submit a detailed explanation of how the requested change/addition or deletion will affect the committed Diverse Business participation goal. If the detail explanation is not submitted, it will affect the final compliance determination.

By affixing a signature to this form, the Contractor further agrees to provide the District complete and accurate information regarding work performed by all subcontractors, including Diverse Business(s) arrangements submitted with the bid. The Contractor also agrees to allow an audit and/or examination of any books, records and files held by their company. The Contractor agrees to allow the transmission of interviews with owners, principals, officers, employees and applicable subcontractors/suppliers/contractors participating on the contract that will substantiate the work performed by the Diverse Business(s) on this contract, by an authorized officer or employee of the District. Any intentional and/or knowing misrepresentation of facts will be grounds for terminating the contract or debarment from District work for a period of not less than three (3) years and for initiating action under Federal, State or Local laws concerning false statements. Any failure to comply with this policy may result in a determination of an irresponsible Contractor and debarment from participating in District work for a period of time not less than one (1) year.
