** City acknowledges that, if a vehicle owner requests a vehicle be towed outside of the corporate limits of the City, an additional mileage fee may apply, but responsibility for such payment shall not lie with the City. There shall be no mileage fee for any Police Initiated Tow that is taken to a contracted tow provider's facility or the City's auto pound.

All fees related to the storage, impoundment, or auctioning of a vehicle shall be chargeable in accordance with state law.

Nothing herein is intended to set any maximum fee amount for any private property or consent tows. These fees are only applicable to police-initiated tows and related services that are requested and provided in connection with the City's contract.
