WHEREAS, Jose Martin Sanchez is the sole owner of a tract of land situated in the A. McLemore Survey, Abstract No. 1056 in the City of Fort Worth, Tarrant County, Texas, and being all of Lots 10 and 11, Block 1, Gaither Addition, an addition to the City of Fort Worth, Tarrant County, Texas, according to the plat thereof recorded in Volume 1043, Page 45, Deed Records, Tarrant County, Texas, same being conveyed to Jose Martin Sanchez by deed recorded in Instrument No. D209216397, Deed Records, Tarrant County, Texas, and being more particularly described by metes and bounds as follows:

Beginning at a 5/8 inch iron rod found for corner in the West line of Fairview Street (a 50 foot right-of-way), and being the Southeast corner of Lot 12 of said Gaither Addition;

Thence Due South, along the West line of said Fairview Street, a distance of 100.00 feet to a 1/2 inch iron rod found at the Northeast corner of Lot 9 of said Gaither Addition;

Thence South 89 degrees 35 minutes 23 seconds West, leaving the West line of said Fairview Street and along the North line of said Lot 9, a distance of 199.00 feet to a 1/2 inch iron rod found at the Northwest corner of said Lot 9, and being in the East line of Lot 5, L.W. Huckins Subdivision, an addition to the City of Fort Worth, Tarrant County, Texas, according to the plat thereof recorded in Volume 1019, Page 359, Deed Records, Tarrant County, Texas;

Thence Due North, along the East line of Lots 5, 6 and 7 of said L.W. Huckins Subdivision, a distance of 100.00 feet to a 1/2 inch iron rod found at the Southwest corner of said Lot 12 of said Gaither Addition;

Thence North 89 degrees 35 minutes 23 seconds East, along the South line of said Lot 12, a distance of 199.00 feet to the Point of Beginning and containing 19,899 square feet or 0.457 acres of land.

Water/Wastewater Impact Fees:

The City of Fort Worth has an ordinance implementing the assessment and collection of water and wastewater impact fees. The total amount assessed is established on the filing date of this plat application, based upon Schedule I of the current impact fee ordinance. The amount to be collected is determined under Schedule II of said ordinance, and becomes effective on the date a building permit is issued, or the connection date to the municipal water and/or wastewater system.

Building Permits:

No building permits shall be issued for any lot in this Subdivision until an appropriate CFA or other acceptable provisions are made for the construction of any applicable water, sewer, storm drain, street lights, sidewalks, or paving improvements; and approval is first obtained from the City of Fort Worth.

Utility Easements:

Any public franchised utility, including the City of Fort Worth, shall have the right to move and keep moved all or part of any building, fence, tree, shrub, other growth or improvement which in any way endangers or interferes with the construction, maintenance, or efficiency of its respective systems on any of the easements shown on the plat; and they shall have the right at all times to ingress and egress upon said easements for the purpose of construction, reconstruction, inspection, patrolling, maintaining, and adding to or removing all or part of its respective systems without the necessity at any time of procuring the permission of anyone.

Site Drainage Study:

A site drainage study, showing conformance with the approved roadway drainage plan, may be required before any building permit is issued on this site. (a grading plan in some instances may be adequate.) If the site does not conform, then a drainage study may be required, along with a CFA for any necessary drainage improvements. The current owner shall submit a letter to the Department of Transportation and Public Works Director stating awareness that a Site Drainage Study will be required before any permit is issued. The current owner will inform each buyer of the same.

Flood-Plain Restrictions:

No construction shall be allowed within the flood-plain easement without the written approval of the Director of Transportation and Public Works. In order to secure approval, satisfactory engineering studies and/or detailed engineering improvement plans, shall be prepared and submitted by the party(s) wishing to construct within the flood-plain. Where construction is permitted, assuming ultimate development conditions, all finished floor elevations shall be a minimum of 2 ft. (two feet) above the 100-year flood plain water elevation, or 1 ft. (one foot) above the 100-year flood-way water surface elevation.

Flood Plain Note:

According to the F.I.R.M. No. 4843900195K in Community Panel 480596, dated September 25, 2009, this property does lie in Zone X, and does not lie within the 100 year flood zone.

Parkway permit:

Parkway improvements such as curb & gutter, pavement tie-in, drive approaches, sidewalks, and drainage inlets may be required at time of building permit issuance via the parkway permit.

Sidewalks

Sidewalks are required adjacent to both sides of all public and private streets, in conformance with the Sidewalk Policy per "City Development Design Standards".

Private Common Areas and Facilities:

The City of Fort Worth shall not be held responsible for the construction, maintenance or operation of any lots containing private common areas of facilities identified as such on the plat. Said lots and facilities shall include, but are not limited to: private streets, emergency access easements, and gated private entrances; recreation, landscape, and open space areas, water and wastewater distribution, collection, and treatment facilities; and clubhouse, recreation buildings and outdoor facilities.

The land owners and subsequent owners of the lots and parcels in this subdivision, acting jointly and severally as a land owners association, shall be responsible for such construction, reconstruction, maintenance and operation of the subdivision's private common areas and facilities, and shall agree to indemnify and hold harmless the City of Fort Worth, Texas, from all claims, damages and losses arising out of, or resulting from the performance of the obligations of said owners associations, as set forth herein.

No Permanent Structure:

No permanent structures shall be constructed over an existing water, sanitary sewer or utility easement as per the water and wastewater installation policy.

OWNER'S DEDICATION

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That Jose Martin Sanchez does hereby adopt this plat as Lot 10R, Block 1, Gaither Addition, an addition to the City of Fort Worth, Tarrant County, Texas, and do hereby dedicate to the public's use forever the easements and rights-of-way shown hereon.

WITNESS, my hand this the 29th day of September, 2014.

P.R.V required

P.R.V's will be required if water pressure exceeds 80 P.S.I. Transportation Impact Fees

Transportation Impact Fees

The City of Fort Worth has an ordinance implementing the assessment and collection of transportation impact fees. The total amount assessed is established on the approval date of this plat application, based upon Schedule 1 of the impact fee ordinance in effect as of the date of the plat. The amount to be collected is determined under Schedule 2 of said ordinance, and is due on the date a building permit is issued.

Covenants or Restrictions are Un-altered

This Replat does not vacate the previous "Plat of Record" governing the remainder of the subdivision, nor does it amend or remove any deed covenants or restrictions.

Maintenance: Flood-Plain/Drainageway:

The existing creek, stream, river, or drainage channel traversing along or across portions of this addition, will remain unobstructed at all times and will be maintained by the individual lot owners whose lots are traversed by, or adjacent to, the drainageways. The City of Fort Worth will not be responsible for the maintenance, erosion control, and/or operation of said drainageways. Property owners shall keep the adjacent drainageways traversing their property clean and free of debris, silt or other substances which would result in unsanitary conditions, and the City shall have the right of entry for the purpose of inspecting the maintenance work by the property owners. The drainageways are occasionally subject to storm water overflow and/or bank erosion that cannot be defined. The City of Fort Worth shall not be liable for any damages resulting from the occurrence of those phenomena, nor the failure of any structure(s) within the drainageways. The drainage crossing each lot is contained within the flood-plain easement line as shown of the plat.
